4. RESOLUTION 3 – ELECTION OF FRANKLYN BRAZIL

4.1 General information

ASX Listing Rule 14.4 and rule 48 of the Constitution provide that a director appointed to fill a casual vacancy or as an addition to the Board must not hold office (without re-election) past the next annual general meeting of the Company. Rule 48(c) of the Constitution provides that any Director who is so appointed and holds office until the next annual general meeting, is then eligible for re-election.

Mr Brazil, having been appointed on 17 July 2023 as a Non-Executive Director by the Directors pursuant to rule 48 of the Constitution, and being eligible, offers himself for re-election at the Meeting.

Mr Brazil is a nominee director of Brazil Farming Pty Ltd. Brazil Farming Pty Ltd and its related entity, Anchorfield Pty Ltd as trustee for the Brazil Family Foundation, collectively hold 18.96% of the Company (~319M shares).

Mr Brazil is a southern Queensland mixed farmer, investor and philanthropist, who was awarded a Member of the Order of Australia (AM) as part of the Queen's Birthday 2022 Honours list. He received the title for his service to medical research and to agriculture.

Mr Brazil progressed from a small poultry farm on the Queensland-New South Wales border to owning four cropping properties at Brookstead and two cattle operations at Goondiwindi. He also boasts multiple successful investments in listed companies and created the Brazil Family Foundation which contributes to many medical and scientific research organisations.

Mr Brazil's key investment advisor, Mr Bradley Newcombe, has been nominated by Mr Brazil to be his alternate director on the Board. Mr Newcombe has over 25 years' experience as an accounting and financial markets professional across treasury, fixed income and equities. He has acted as an advisor to Brazil Farming since 2015.

The Company advises that appropriate background checks were conducted prior to Mr Brazil and Mr Newcombe's appointments.

4.3 Directors' Recommendation

The Board considers that as a nominee of Brazil Farming Pty Ltd, Mr Brazil will not, if elected by Shareholders, qualify as an independent Director.

The Board, with Mr Brazil abstaining, unanimously recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – APPROVAL TO ISSUE SHARES TO MANAGING DIRECTOR/CEO

5.1 General information

Resolution 4 seeks shareholder approval for the issue of Shares to Mr Bryan Quinn (and/or his nominee), the Company's Managing Director.

As part of Mr Quinn's employment arrangements, subject to shareholder approval, the Company agreed to issue Mr Quinn with the number of shares equivalent to \$500,000 divided by the Volume Weighted Average Price of the Company's shares on ASX (VWAP) during the 5 Business Days prior to 31 May 2023. This amounts to 4,524,197 ordinary Shares being issued to Mr Quinn.

The Shares will be the subject of a holding lock preventing the Shares from being disposed of by Mr Quinn, with 33 ⅓ to be released from holding lock on the first anniversary date of the Meeting, a further 33 ⅓ to be released from holding lock on the second anniversary date of the Meeting and the balance to be released from holding lock on the third anniversary date of the Meeting.

Because Mr Quinn is a Director of the Company and the issue of Shares does not fall within any of the exceptions under ASX Listing Rule 10.12, Shareholder approval of the proposed issue of Shares to Mr Quinn must be obtained under ASX Listing Rule 10.11.1 before the Shares can be issued.

If approval is given under ASX Listing Rule 10.11, Shareholder approval is not required under ASX Listing Rule 7.1 due to the application of Exception 14 in Listing Rule 7.2. Shareholder approval of the issue of the Shares to Mr Quinn and/or his nominee means that the issue will not reduce the Company's 15% placement capacity under ASX Listing Rule 7.1.

EXPLANATORY MEMORANDUM

5.1 General information (cont.)

If Resolution 4 is passed, the Company will be able to proceed with the issue of Shares to Mr Quinn. If Resolution 4 is not passed, the Company will not be able to proceed with the issue of the Shares and the Board will separately approve that the Company will instead pay in cash the value of the Shares (ie. \$500,000).

5.2 Information required by ASX Listing Rule 10.13

ASX Listing Rule 10.13 requires that the following information regarding the proposed issue of Shares be provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 10.11:

- a) The Shares are to be issued to Mr Bryan Quinn (and/or his nominee) who is the Managing Director of the Company.
- b) Mr Quinn is a Director of the Company and therefore a related party and subject to ASX Listing Rule 10.11.1. In the event the Shares are issued to a nominee of Mr Quinn, that person will fall into the category stipulated by ASX Listing Rule 10.11.4.
- c) A maximum of 4,524,197 ordinary Shares will be issued to Mr Quinn, being the number of shares equivalent to \$500,000 divided by the VWAP during the 5 Business Days prior to 31 May 2023.
- d) The Shares will be issued to Mr Quinn by 14 December 2023 i.e. no later than 1 month after the date of the Meeting.
- e) No consideration is payable by Mr Quinn for the issue of the Shares.
- f) The Shares are being issued to Mr Quinn as a one-off issue in connection with Mr Quinn commencing employment with the Company. The issue will allow the Company to remunerate Mr Quinn with Shares while preserving the Company's cash for its operations. No funds will be received by the Company for the issue.
- g) In addition to the proposed issue of Shares under this Resolution, Mr Quinn's current remuneration for the financial year ending 30 June 2024 comprises a TFR of \$827,500 pa (inclusive of superannuation), plus, for FY24, an STI award with a maximum potential of 38% of Total Remuneration (TR) and, as outlined in this Explanatory Memorandum, an LTI award with a maximum potential of 31% of TR. Further details regarding Mr Quinn's remuneration package are set out in the Remuneration Report in the Company's FY23 Annual Report.
- h) A summary of the material terms of Mr Quinn's employment agreement are set out in the ASX Announcement on 31 May 2023.
- i) A voting exclusion statement is set out under Resolution 4 above.

5.3 Proxy voting

In accordance with the wishes of the Board, the Chair (where appropriately authorised) intends to vote all available undirected proxies in favour of Resolution 4.

5.4 Directors' Recommendation

- a) Mr Quinn declines to make a recommendation to Shareholders in relation to Resolution 4 due to his material personal interest in the outcome of the Resolution
- b) The Board (other than Mr Quinn) recommends that Shareholders vote in favour of Resolution 4.
- c) The Board (other than Mr Quinn) is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 4.

6. RESOLUTION 5 – APPROVAL TO ISSUE RIGHTS TO MANAGING DIRECTOR/CEO

6.1 General information

ASX Listing Rule 10.14 requires Shareholder approval for the acquisition of securities by a director under an employee incentive scheme. If approved, the approval applies to the issue of the Rights under the Long Term Incentive Plan and the issue of Shares (if any) on the vesting of those Rights. While the Company is able to satisfy the Rights by acquiring Shares on-market and then transferring those Shares to a Director under the terms of the Long Term Incentive Plan, approval is being sought under ASX Listing Rule 10.14 for the purposes of maintaining flexibility and in the interests of good governance.

Resolution 5 seeks Shareholder approval for the grant of Rights to Mr Bryan Quinn, the Company's Managing Director, under the Long Term Incentive Plan.

Because Mr Quinn is a Director of the Company, Shareholder approval of the proposed issue of Rights to Mr Quinn must be obtained under ASX Listing Rule 10.14.1 (or under ASX Listing Rule 10.14.2 if Mr Quinn elects for the Rights to be granted to his nominee) before the Rights can be issued.

EXPLANATORY MEMORANDUM

6.1 General information (cont.)

If Resolution 5 is passed, the Company will be able to proceed with the issue of Rights to Mr Quinn. The grant of Rights will in due course involve the issue of Shares (one Share for one Right) if the Rights vest.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of the Rights and the Company will, on the relevant vesting dates, instead acquire Shares on-market or pay in cash the value of the Rights that would have vested on that vesting date if Shareholders had approved the issue of those securities at the 2023 AGM and Mr Quinn had exercised all of those vested Rights on that vesting date.

In addition, the Company seeks Shareholder approval pursuant to section 200E of the Corporations Act for vesting of the Performance Rights granted to Mr Quinn in the event that Mr Quinn ceases to be employed by the Company in certain limited circumstances, as specified in Mr Quinn's individual personalised offer document. As detailed further below, such circumstances include termination without cause, redundancy, death or permanent disability.

Under section 200B of the Corporations Act, a company may only give a person a "benefit" in connection with their ceasing to hold a managerial or executive office in the company (**Termination Benefit**) if it is approved by Shareholders under section 200E of the Corporations Act (or an exemption applies). The term "benefit" may include the pro rata vesting of Performance Rights in the limited circumstances outlined above, where Mr Quinn ceases to be employed by the Company. The pro rata vesting of Mr Quinn's Performance Rights, in those limited circumstances, may amount to the giving of a Termination Benefit requiring Shareholder approval under section 200E of the Corporations Act. As such, Shareholder approval is sought for these purposes.

The Rights will only vest upon satisfaction of the vesting conditions (see below for further details) which are measured over the three year period from 1 July 2023 to 30 June 2026 (**Performance Period**).

The Rights will be performance tested within a reasonable period after the end of the Performance Period (**Testing Date**).

Subject to the satisfaction of the vesting conditions described below and to any adjustment in accordance with the rules of the Long Term Incentive Plan (e.g. upon a capital reconstruction), Mr Quinn will receive one Share for each vested Right.

6.2 Vesting conditions

The number of Rights which vest on a date (**Relevant Date**) will depend on the extent to which the vesting conditions

applicable to the Rights (**Vesting Conditions**) have been satisfied for the Performance Period.

The Vesting Conditions applicable to the Rights are at the discretion of the Board and will be based on factors including those set out below, with factor 2 (Relative TSR) having a 60% weighting and factor 3 (Reserves per Share) having a 40% weighting.

1. Continued employment

If Mr Quinn ceases to be an employee of the Company up to and including the Relevant Date, then the treatment of the Rights will depend on the circumstances of the cessation of employment.

Unless the Board determines otherwise, if Mr Quinn ceases employment due to "bad leaver" events, then all of the unvested Rights will automatically lapse. Bad Leaver events include an act or omission which constitutes serious misconduct (which may involve an act of fraud or gross misconduct in relation to the Company), failing or refusing to perform duties (after prior written warning) or committing any act of dishonesty towards the Company.

If Mr Quinn's employment ceases in other circumstances (including but not limited to retirement, death, illness, disability or permanent incapacity or redundancy), then the Board has discretion to determine how the Rights are to be treated (including that some or all some of the unvested Rights should lapse, that some or all of the unvested Rights vest or that some or all of the unvested Rights remain "on-foot" in which case the Board will determine when and on what conditions those Rights may vest).

2. Relative TSR

This Vesting Condition is the Relative Total Shareholder Returns (**Relative TSR**) measure against a defined peer group of companies which the Board considers compete with the Company for the same investment capital, and which by the nature of their business are influenced by commodity prices and other external factors similar to those that impact the Company.

The comparator group of companies at the beginning of the Performance Period comprises:

- ◆ Aurelia Metals Limited (ASX: AMI)
- ◆ 29 Metals Limited (ASX: 29M)
- ◆ AIC Mines Limited (ASX: A1M)
- ◆ Aeris Resources Limited (ASX: AIS)
- ◆ Alkane Resources Ltd (ASX: ALK)
- ◆ Austral Resources Australia Ltd (ASX: AR1)

EXPLANATORY MEMORANDUM

2. Relative TSR (cont.)

- ◆ Catalyst Metals Limited (ASX: CYL)
- ◆ Element 25 Limited (ASX: E25)
- ◆ Gascoyne Resources Limited (ASX: GCY)
- ◆ Metals X Limited (ASX: MLX)
- ◆ Ora Banda Mining Ltd (ASX: OBM)
- ◆ Panoramic Resources Limited (ASX: PAN)
- ◆ St Barbara Limited (ASX: SBM)
- ◆ Tribune Resources Limited (ASX: TBR)

Total Shareholder Return (**TSR**) is the change in the Share price over the Performance Period plus any dividends paid during the Performance Period, assumed to be re-invested in Shares. The Company and comparator TSR performances are measured using the closing price at 30 June immediately preceding the period that the Rights relate to, and in determining the closing TSR performances at the end of the three year period. The Board has discretion to adjust how TSR performance is measured, including the constitution of the comparator group where changes to the companies in the comparator group occur during the Performance Period as a result of, for example, mergers and acquisition activity.

The proportion of the Rights that vest will be influenced by the Company's TSR relative to the comparator group over the three-year Performance Period as outlined below:

	THRESHOLD	TARGET	STRETCH
Vesting	50%	Pro-rata from 50% to 100%	100%
Relative TSR rank	50 th percentile	Between 50 th and 75 th percentile	75 th percentile and above

2. Growth of Reserves

This Vesting Condition in relation to the Rights will be measured against the Company's growth in Ore Reserves per Share over the Performance Period. This will be done by comparing the baseline measure of the Ore Reserves (kilograms of ore as specified in the Group Mineral Resource and Ore Reserve Statement) on 1 July 2023 on a per share basis to the Ore Reserves (kilograms of ore as specified in the Group Mineral Resource and Ore Reserve Statement) as at 30 June 2026 on a per share basis, based on the number of shares on issue at each respective date. If the Group Mineral Resource and Ore Reserve Statement as at 30 June 2026 is not published by the Testing Date, then an equivalent

internal measure consistent with JORC 2012 guidelines (as determined by the Board), will be used to determine the Ore Reserves as at 30 June 2026.

The baseline Ore Reserves per Share is the Ore Reserves per Share as at 5 July 2023, which is 3.26kg/share.

The proportion of the Rights that vest under the Growth of Reserves measure is outlined below:

	BELOW	THRESHOLD	TARGET	STRETCH
Vesting	0%	50%	Pro-rata from 50% to 100%	100%
Ore Reserves per Share	Below 100% of baseline Ore Reserves per Share	100% of baseline Ore Reserves per Share	Above 100% but below 115% baseline Ore Reserves per Share	Above 115% baseline Ore Reserves per Share

6.3 ASX Listing Rule 7.1

Subject to a number of exceptions, Listing Rule 7.1 limits the number of securities that the Company can issue without Shareholder approval in any 12 month period to 15% of its issued securities. An issue of securities made with the approval of Shareholders under listing rule 10.14 is an exception to Listing Rule 7.1. Accordingly, if Resolution 5 is approved, the issue of the securities detailed in Resolution 5 will come within this exception.

6.4 Information required by ASX Listing Rule 10.15

ASX Listing Rule 10.15 requires that the following information regarding the proposed issue of the Rights be provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 10.14:

- a) The Rights are to be issued to Mr Quinn (and/or his nominee) who is the Managing Director of the Company.
- b) Mr Quinn is a Director of the Company and therefore a related party and subject to ASX Listing Rule 10.14.1. In the event the Rights are issued to a nominee of Mr Quinn, that person will fall into the category stipulated by ASX Listing Rule 10.14.2.
- c) A maximum of 8,897,849 Rights will be issued to Mr Quinn being 100% of Mr Quinn's Fixed Remuneration (**FR**) based on the closing price at 30 June 2023 (\$0.093 per Share).

EXPLANATORY MEMORANDUM

- d) Mr Quinn's current remuneration for the financial year ending 30 June 2024 is set out in the Explanatory Notes to Resolution 4 above. Further details regarding Mr Quinn's remuneration package are set out in the Remuneration Report in the Company's FY23 Annual Report.
- e) No Rights have previously been issued to Mr Quinn under the Long Term Incentive Plan, and there is no average acquisition price applicable as Mr Quinn is not required to pay for those Rights.
- f) A summary of the material terms of the Rights and the value the Company attributes to the Rights is set out above. Mr Quinn's Rights have been structured as an issue of Rights because Rights create share price alignment between Mr Quinn and Shareholders, but do not provide Mr Quinn with the full benefits of share ownership (such as dividend and voting rights) unless and until the Vesting Conditions are met. Vesting of Mr Quinn's Rights are subject to achieving the Vesting Conditions set out above.
- g) The Rights will be issued to Mr Quinn by 14 November 2024 i.e. no later than 12 months after the date of the Meeting.
- h) No consideration is payable by Mr Quinn at the time of grant of any of the Rights or upon the allocation of Shares to which Mr Quinn may become entitled on the vesting of some or all of the Rights.
- i) A summary of the material terms of the Long Term Incentive Plan are set out in Schedule 1 to this Explanatory Memorandum.
- j) No loan has been or will be provided to Mr Quinn in relation to the issue of the Rights.
- k) Details of any securities issued to Mr Quinn under the Long Term Incentive Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Long Term Incentive Plan after this resolution is approved and who are not named in this notice of meeting will not participate until approval is obtained under that rule.
- l) A voting exclusion statement is set out under Resolution 5 above.

6.5 Proxy voting

In accordance with the wishes of the Board, the Chair (where appropriately authorised) intends to vote all available undirected proxies in favour of Resolution 5.

6.5 Directors' Recommendation

- a) Mr Quinn declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of the Resolution.
- b) The Board (other than Mr Quinn) recommends that Shareholders vote in favour of Resolution 5 for the following reasons:
 - i) the grant of the Rights to Mr Quinn will align the interests of Mr Quinn with those of Shareholders;
 - ii) the grant of the Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Quinn; and
 - iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Rights upon the terms proposed.
- c) In forming their recommendations, each Director (other than Mr Quinn) considered the experience of Mr Quinn, the current market price of Shares, the current market practices when determining the number of Rights to be granted as well as the Vesting Conditions of those Rights.
- d) The Board (other than Mr Quinn) is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 5.

SCHEDULE 1

Key Terms of the Long Term Incentive Plan

The key terms of the Long Term Incentive Plan are summarised below:

- a) The Board of the Company will administer the Long Term Incentive Plan in accordance with the Long Term Incentive Plan Rules and the Board has a broad discretion to determine which employees are eligible to participate in the Long Term Incentive Plan (**Eligible Employee**).
- b) Under the Long Term Incentive Plan, the Board may invite Eligible Employees to apply to acquire Rights under the Long Term Incentive Plan upon the terms set out in the Long Term Incentive Plan Rules, in the Invitation and any additional terms and Vesting Conditions as the Board determines. A **Right** is the right to acquire a security in the Company (**Security**) (where security has the same meaning as in the Corporations Act). Upon vesting, each Right entitles its holder to one Security in the Company.
- c) The Board will advise each Eligible Employee of the terms and conditions of the **Invitation** (which is an invitation to an Eligible Employee to apply to acquire Rights under the Long Term Incentive Plan), including as to:
 - i) the date of the Invitation;
 - ii) the number of Rights to which the Invitation relates (and if the Rights are in multiple Tranches, the terms and conditions which apply to each Tranche of Rights);
 - iii) the minimum number of Rights that the Eligible Employee may apply for;
 - iv) any applicable conditions determined by the Board that need to be satisfied or waived before a Right will vest (**Vesting Conditions**);
 - v) the last date on which the Rights are able to Vest (**Last Vesting Date**);
 - vi) any restrictions on disposal (if any) determined by the Board (**Disposal Restrictions**);
 - vii) the latest date on which a duly completed Application Form must be received by the Company (**Application Date**);
 - viii) any other terms and conditions relating to the issue of Rights determined by the Board; and
 - ix) any other matters required to be specified by the Corporations Act, the ASX Listing Rules or any other applicable laws.
- d) The Board shall not make an Invitation if the number of Securities which would be issued were the rights the subject of the Invitation to vest, when aggregated with the number of Securities which would be issued if each outstanding Right under the Long Term Incentive Plan or under another employee incentive scheme and the number of Securities issued during the previous 3 years under the Long Term Incentive Plan or another employee incentive scheme, would exceed 5% of the total number of issued Securities as at the date of the Invitation.
- e) The Board has the discretion to accept or reject any Application Forms at its sole discretion, and if the Board does not accept an Application Form the Company will notify the person that their Application Form is not accepted.
- f) A **Participant** is a person who, in response to an Invitation, has completed and returned a duly completed and executed Application Form on or before the Application Date and whose Application has been accepted by the Board. Rights will be issued to Participants as soon as practicable after the Application Date provided that the Participant is still an employee of the Company, has not given notice of resignation or has not been given notice of termination of employment.
- g) A Right granted under the Long Term Incentive Plan will not vest unless the Vesting Conditions (if any) have been satisfied.
- h) The Board has the discretion to vest Rights before their Vesting Date if:
 - i) a Participant ceases to be an employee and becomes a Good Leaver (situations such as retirement, death or illness, redundancy, other circumstances determined by the Board); and
 - ii) change in control or other events (takeover bids, scheme of arrangement, voluntary winding up, reorganisation).
- i) The Board has the power to vary or waive any applicable Vesting Condition and Disposal Restriction.
- j) A Right will lapse in certain circumstances (and upon lapsing all of the Participant's rights in respect of that Right cease):
 - i) if the Rights do not vest in accordance with the Invitation and the Long Term Incentive Plan Rules by the Last Vesting Date;
 - ii) any Rights which the Board determines will not vest as the applicable Vesting Conditions cannot be satisfied;
 - iii) if the Board determines that the Right will lapse as a Participant:

 - m)** The Board may determine any Disposal Restrictions (including Restriction Periods) that will apply to Securities issued after Rights have vested.

 - o)** The Plan does not form part of any contract of employment and if the Long Term Incentive Plan is terminated, no compensation under any employment contract will arise.
- p)** Subject to rule 19.2 of the Long Term Incentive Plan and the ASX Listing Rules, the Board may amend, add to, delete or otherwise vary the Rules in a manner the Board thinks fit.  - i)** for the purpose of complying with State or Commonwealth legislation or the ASX Listing Rules;
 - ii)** to correct any manifest error or mistake;
 - iii)** for the purpose of enabling Participants to receive a more favourable taxation treatment in respect of their participation in the Long Term Incentive Plan;
 - iv)** to enable the Company to qualify for tax deductions for contributions or other amounts paid in respect of the Long Term Incentive Plan;
 - v)** to enable any Trustee that holds Securities for and on behalf of Participants, or the Company, to reduce fringe benefits tax or other taxes that would otherwise be payable in relation to the Long Term Incentive Plan;
 - vi)** to enable the Company to undertake a Reorganisation; or
 - vii)** because of a takeover bid or change of control of the Company occurs and will occur.
