## About Aurelia

Aurelia Metals Limited (ASX: AMI) is an Australian mining and exploration company with a highly strategic landholding, and two operating mines in New South Wales (NSW). The Peak Mine is in the Cobar Basin in western NSW, and the Dargues Mine is in south-eastern NSW. The Hera mining operation, also located in the Cobar Basin, has ceased and the surface facilities have been placed into care and maintenance.

In addition, Aurelia has two consented high grade development projects. The polymetallic Federation Project is currently under construction with development ore expected in 2024. The development of the Great Cobar copper deposit will follow.

In FY23, Aurelia produced 86,284 ounces of gold at a Group All In Sustaining Cost of A\$2,315 per ounce. The Peak Mine's cost base benefits from substantial by-product revenue credits from base metal production (including zinc, lead and copper).

## 1. Purpose of the Policy

- 1.1 The purpose of this Securities Trading Policy is to minimise the risk of actual insider trading occurring as well as avoid any perception that insider trading is occurring.
- 1.2 The Corporations Act contains provisions which prohibit a person with price sensitive non-public information relating to a company from dealing in securities of the company, or other financial products related to the company. This Policy provides guidelines designed to prevent Aurelia and its personnel from breaching these insider trading laws.

## 2. Who does this Policy apply to?

### 2.1 This Policy applies to:

- 2.1.1 all Directors, Senior Executives, employees, contractors and consultants of any member of the Aurelia Group; and
- 2.1.2 any company, trust or other body or entity controlled by any of the persons referred to in subparagraph 2.1.1 above,
- (collectively, “**Aurelia Personnel**”).

### 2.2 Sections 4, 5 and 6 of this Policy apply to:

- 2.2.1 all Directors and other Senior Executives (including the CEO);
- 2.2.2 all direct reports to Senior Executives;
- 2.2.3 any employee, contractor or consultant based in corporate head office (Brisbane);
- 2.2.4 any other personnel designated by the Company Secretary (collectively with paragraphs 2.2.1, 2.2.2 and 2.2.3, “**Relevant Personnel**”); and
- 2.2.5 closely related parties (as that term is defined in the Corporations Act)<sup>1</sup> of all Relevant Personnel,
- and the persons listed above are called “**Restricted Persons**”.

### 2.3 Where this Policy requires a Restricted Person to do something (e.g. obtain Prior Written Clearance), the Relevant Personnel must also do so for their closely related parties.

### 2.4 It is the responsibility of Aurelia Personnel to ensure that they comply with this Policy and insider trading laws.

### 2.5 It is recommended that if Aurelia Personnel are unsure of the application of this Policy, they consult the Company Secretary to clarify their obligations before engaging in any trading.

---

<sup>1</sup> A 'closely related party' of a person (the **Person**) includes that Person's spouse, child, spouse's child, a dependent of the Person or Person's spouse, any other family member of the Person who is in a position of influence over, or may be influenced by, the Person, or a company controlled by the Person.

### 3. Dealing prohibition – applies to all Aurelia Personnel

3.1 If Aurelia Personnel have Inside Information, they are not to:

- 3.1.1 Deal in Securities that are affected by the information, either for themselves or for another person;
- 3.1.2 advise, procure or encourage another person (for example, a family member, a friend, a family company or trust) to Deal in those Securities, either for themselves or for another person; or
- 3.1.3 if those Securities are also listed on a financial market (such as the ASX), directly or indirectly communicate the information to any other person, if they know or ought to reasonably know that the person may use the information to Deal (or procure another person to Deal) in Securities. This includes giving hints or tips about the Inside Information to someone else.

The consequences for breach may be severe and could result in criminal and civil liability.

3.2 Aurelia Personnel and their closely related parties are not permitted at any time to:

- 3.2.1 engage in short-term trading (less than three months), or short selling of Aurelia Group Securities at any time. For the avoidance of doubt, this rule does not apply to the sale of ordinary shares in the Company acquired on the exercise of a right or option under an employee share plan operated by the Company or an off-market transaction in Aurelia Group Securities where there is no effective change in the beneficial owner;
- 3.2.2 enter margin lending or other secured financing arrangements in respect of Aurelia Group Securities; and/or
- 3.2.3 enter into transactions with Securities (or any derivative thereof) which limit the economic risk of any unvested entitlements awarded under an equity-based remuneration scheme, or otherwise awarded, or which will be offered by the Company in the future (e.g. hedging).

3.3 Aurelia Personnel are also bound by a duty of confidentiality in relation to confidential information obtained in the course of their duties.

3.4 The requirements imposed by this Policy are in addition to any legal prohibitions on insider trading.

### 4. Dealing restrictions – applies to Restricted Persons only

4.1 Restricted Persons have additional dealing restrictions and are only permitted to Deal in Aurelia Group Securities:

- 4.1.1 during a nominated Trading Window; and
- 4.1.2 after obtaining Prior Written Clearance.

4.2 Restricted Persons cannot deal in Aurelia Group Securities outside of the nominated Trading Windows unless permitted to do so under section 6 (Exceptional Circumstances) or section 8 (Excluded Trading).

- 4.3** The Company reserves the right to impose restrictions on Dealing in Aurelia Group Securities during any period, including one that would otherwise fall within a permitted Trading Window.
- 4.4** During a Trading Window, and before any Dealing in Aurelia Group Securities is undertaken, a Restricted Person seeking to Deal (column A, below) must complete a Securities Trading Clearance Request Form to request clearance to deal in Aurelia Group Securities and forward the completed Form to the Company Secretary and the person approving the Deal (column B, below):

<b>Column A Restricted Person Seeking to Deal (including any closely related party)</b>	<b>Column B Person Approving the Deal</b>
Directors (including the Managing Director / CEO, but excluding the Chair) and the Company Secretary	The Chair of the Board
Senior Executives	The Managing Director / CEO
The Chair of the Board	The Chair of the Audit Committee
Other Restricted Persons	The Company Secretary

- 4.5** If the Company Secretary is not the person approving the Deal (column B, above), then a copy of the signed Form giving clearance to Deal must be sent to the Company Secretary.
- 4.6** Restricted Persons who are given Prior Written Clearance must Deal no later than five business days from clearance being received.
- 4.7** The Trading Windows for Restricted Persons are set out in the table below:

<b>Event opening the Trading Window</b>	<b>Length of Trading Window</b>
Release of the Company's half year results	Thirty (30) days
Release of the Company's full year results	Thirty (30) days
AGM or any other general meeting	Fifteen (15) days
Release of the Company's March and September quarterly reports	Fifteen (15) days
Issue of a Prospectus for new Securities or a debt issue	From the first trading day after the date of issue until the closing date of applications
Release of a Cleansing Statement	The trading day of the release of the Cleansing Statement and the following trading day

## 5. Timing Requirements for clearance and refusal

- 5.1 The Company Secretary must give a copy of the response and clearance (if any) to the Restricted Person requesting clearance within two business days of the initial clearance request. The Company Secretary must maintain a record of the response to any Dealing request made and of any Prior Written Clearance given.
- 5.2 Any clearance to Deal can be given or refused by the Company in its discretion, without giving any reasons. A Prior Written Clearance can be withdrawn if new information comes to light or there is a change in circumstances. The Company's decision to refuse clearance is final and binding on the person seeking clearance. If clearance to Deal is refused, the person seeking the clearance must keep that information confidential and not disclose it to anyone.

## 6. Dealing in Exceptional Circumstances

- 6.1 A Restricted Person who is not in possession of Inside Information in relation to the Company may be given Prior Written Clearance outside of a Trading Window if he or she is in severe financial difficulty or there are other Exceptional Circumstances. Prior Written Clearance may be given for such a person to sell (but not purchase) Aurelia Group Securities in a Prohibited Trading Period. The determination of whether the person in question is in severe financial difficulty or whether there are other Exceptional Circumstances can only be made by the Chair (if the Restricted Person is other than the Chair) or the Chair of the Audit Committee (if the Restricted Person is the Chair).
- 6.2 A person may be in severe financial difficulty if he or she has a pressing financial commitment that cannot be satisfied otherwise than by selling the relevant Aurelia Group Securities. A liability of such a person to pay tax would not normally constitute severe financial difficulty unless the person has no other means of satisfying the liability. A circumstance would be considered exceptional if the person in question is required by a court order to transfer or sell the Aurelia Group Securities or there is some other overriding legal requirement for him or her to do so.
- 6.3 Where a request involves the consideration of Exceptional Circumstances justifying a sale as the only reasonable course of action, particulars of those Exceptional Circumstances must accompany the clearance request.
- 6.4 Prior Written Clearance must be obtained from the Chair or if being sought by the Chair, Prior Written Clearance must be obtained from the Chair of the Company's Audit Committee. The request for written clearance must also be provided to the Company Secretary to ensure they are aware of the request and able to communicate the request to the Board.
- 6.5 If Prior Written Clearance to Deal in Aurelia Group Securities is granted, then the Aurelia Group Securities must be sold within five business days from clearance being given.
- 6.6 Any clearance to Deal can be given or refused by the Company in its discretion, without giving any reasons. A Prior Written Clearance can be withdrawn if new information comes to light or there is a change in circumstances. The Company's decision to refuse clearance is final and binding on the person seeking clearance. If clearance to Deal is refused, the person seeking the clearance must keep that information confidential and not disclose it to anyone.

## 7. Disclosure of trading by Directors

- 7.1** ASX Listing Rules 3.19A and 3.19B require Aurelia to make certain notifications and enter into certain arrangements with Directors about share dealings by Directors.
- 7.2** To enable Aurelia to meet its obligations under the Listing Rules, each Director must provide certain information to the Company Secretary. The Company Secretary will ensure relevant Director disclosures are made to the ASX and will notify the Board of all trades by the Directors as soon as reasonably practicable.
- 7.3** Listing Rule 3.19A.2 and the Appendix 3Y form (disclosure of change in Directors interests) require disclosure of whether the dealing took place in a Closed Period where Prior Written Clearance is required, and if so, whether clearance was provided and when. This disclosure requirement relates to the initial, ongoing and final disclosure to Aurelia by Directors and applies to Aurelia Group Securities.

## 8. Excluded trading

- 8.1** Section 4 of this Policy does not apply to the following Dealings:
- 8.1.1** a disposal of Securities arising from the acceptance of a takeover offer, scheme of arrangement, equal access buy-back or capital reduction;

  - 8.1.7** Trading under a non-discretionary trading plan for which Prior Written Clearance has been provided and where:
    - the Restricted Person did not enter into the plan or amend the plan during a prohibited period;
    - the trading plan does not permit the Restricted Person to exercise any influence or discretion over how, when or whether to trade;
    - there is no cancellation of the trading plan during a Prohibited Trading Period other than in Exceptional Circumstances;

- 8.1.8** indirect and incidental trading that occurs as a consequence of a Restricted Person Dealing in securities issued by a managed investment scheme, listed investment company, exchange-traded fund or similar investment vehicle that is managed by a third party and that happens to hold Aurelia Group Securities as part of its portfolio;
- 8.1.9** Dealings that result in no effective change to the beneficial interest in the Securities (e.g. transfers of Aurelia Group Securities already held into a superannuation fund or trust of which the Restricted Person is a beneficiary or transfers between such funds); and
- 8.1.10** acquiring Securities under the terms of a Dividend Reinvestment Plan operated by the Company (**DRP**), provided that the Restricted Person's election to participate in the **DRP** was not lodged with the Company's share registry during a Prohibited Trading Period. If an election to participate in the **DRP** was lodged prior to the commencement of a Prohibited Trading Period, it cannot be withdrawn during a Prohibited Trading Period.
